The image features a close-up, top-down view of two bees on a honeycomb. The honeycomb is composed of numerous hexagonal cells, creating a repeating geometric pattern. The bees are positioned diagonally across the frame; one is in the upper left and the other is in the lower center. The entire image is overlaid with a semi-transparent yellow filter, which makes the bees and the honeycomb pattern appear in shades of yellow and light brown. The word "packaging" is written in a white, sans-serif font on the right side of the image.
